**Mitigating Mass Violence and Managing Threats in Contemporary Society** Crews, Gordon A., Markey, Mary Ann, Kerr, Selina E.M., 2021-06-04 In a decade that has seen the rise of far right extremism Western countries still face myriad threats of mass violence including terrorism Of particular concern is the phenomenon of lone wolf terrorism whereby acts of political violence are committed by individuals who are operating independently of any organized terrorist group something which makes them inherently more difficult to identify in advance of an attack Now there is a need for research that profiles these perpetrators explores the incidents that occur and analyzes the shifting changes in mass violence technology and terrorist behavior in modern times Mitigating Mass Violence and Managing Threats in Contemporary Society explores the shifting definitions and implications of mass violence and covers important areas focused on the individuals who partake in these acts as well as weapon choice and the influence of weapon accessibility how the attention seeking behavior and promotion of violent actions is evolving and how technology is used such as disseminating a manifesto prior to the incidents or using live streaming to broadcast incidents of mass violence as they transpire The book also examines ways to prevent these incidents before they occur which is a proven challenge with no single accurate profile for offenders and whether perpetrators of mass violence share similar goals and motivations for their sprees as well as commonalities in warning behaviors This comprehensive research work is essential for law enforcement military officials defense specialists national security experts criminologists psychologists government officials policymakers lawmakers professionals practitioners academicians students and researchers working in the fields of conflict analysis and resolution crisis management law enforcement mental health education psychology sociology criminology criminal justice terrorism and other social sciences

**Man Up** Cynthia Miller-Idriss, 2025-09-16 The revelatory and urgent story of how an explosion of misogyny is driving a surge of mass and far right violence throughout the West from an internationally recognized extremism expert and media commentator What two things do most mass shooters terrorists or violent extremists have in common Most of us know the first they are almost always men or boys But the second They are almost always virulent misogynists homophobes or transphobes even if they are also motivated by racism antisemitism or xenophobia The antigovernment militiamen charged with plotting to kidnap and execute Michigan governor Gretchen Whitmer used language saturated with misogyny with one telling an FBI informant Just grab the bitch The men who killed scores at Virginia Tech the Pulse nightclub and a Maryland newsroom all had prior reports of stalking domestic violence or harassment of women And in dozens of other incidents from North America to Norway to New Zealand an increasing number of misogynist incel involuntary celibate and male supremacist attackers have explicitly targeted and killed women blaming feminism or sexual frustration with women as motivation for their attacks Yet despite all evidence the bright red thread of misogyny running through these attacks is barely acknowledged by the media or even experts and this failing leaves us powerless to stop the

violence In Man Up Cynthia Miller Idriss a leading expert on extremism addresses this crucial oversight head on revealing how an epidemic of misogyny both online and off and a patriarchal backlash are driving an exponential rise in mass and far right violence She also offers essential strategies that all of us including parents teachers and counselors can use to fight the rising tide of violence beginning with recognizing the misogyny that pervades our everyday lives *Blood in the Face (revised new edition)* James Ridgeway,2025-01-14 In 1990 BLOOD IN THE FACE The Ku Klux Klan Aryan Nations Nazi Skinheads and the Rise of a New White Culture was the first book to uncover the contours beliefs leaders and wider influence of the American racist far right movement It told their story from the insideout complete with interviews recruiting pamphlets cartoons rants sermons threats policereports and more The accompanying analysis by veteran investigative reporter James Ridgeway detailed the movement's volatile history and its expansion beginning in the 1980s insisting that the groups making up this fringe culture were too powerful and too much a part of Americanculture to be ignored or dismissed When the book's prescience about the dangers of the racist far right became manifest in the Oklahoma City bombing of 1995 a second edition of BLOOD IN THE FACE was released with a new introduction charting the rise of the Militia Movement to which Timothy McVeigh and his co conspirators were connected Since then both the book and the documentary film that accompanied its release also titled BLOOD IN THE FACE have earned cult followings In the past 25 years Ridgeway's final warning that the fringe was becoming part of the fabric of American politics and culture have come to chilling fruition in the rise of the Tea Party the racist backlash against the presidency of Barack Obama the resurgence of anti immigrant Nativism the growth of racist far right media and the election of Donald Trump with the thunderous support of white nationalists

*How To Raise an Antiracist* Ibram X. Kendi,2022-07-07 A ground breaking argument about children racism and how to build the antiracist society of the future from the author of the million copy global bestseller How To Be an Antiracist A NEW YORK TIMES BESTSELLER One of the pre eminent intellectuals on race OWEN JONES How do kids think about race How are they affected by it At what age should we talk to them about racism What is the best way to do that How can we raise our children to be antiracist In this inspiring and deeply personal investigation Ibram X Kendi explains how to safeguard our children from racism and how we can all participate in fostering a new generation of antiracists His essential and revolutionary insight is that our instinct to protect our children from racism by not talking about it is entirely wrong Using the science of childhood development illustrated with his own experiences as a father he shows that only by teaching our children about the realities of racism from the youngest age can we truly protect them and build the antiracist society of the future Praise for How To Be an Antiracist over 1 million copies sold worldwide by August 2020 One of the US's most respected scholars of race and history Afua Hirsch Guardian Transformative and revolutionary Robin DiAngelo author of White Fragility The most courageous book to date on the problem of race The New York Times **Symposium** ,2009
