*Perfect Hostage* Justin Wintle,2008-03-18 Burma is a country where as one senior UN official puts it just to turn your

head can mean imprisonment or death Aung San Suu Kyi is considered to be Burma's best hope for freedom and because of her unwavering commitment to nonviolent resistance to the country's brutal military junta she has been under house arrest since 1989 Elected Prime Minister she was prevented from taking office but despite failing health vilification at the hands of the Burmese media and actual imprisonment in one of the world's most appalling jails Suu Kyi has persevered in a campaign of nonviolent protest as unflagging as those of Gandhi King and Mandela which earned her the Nobel Peace Prize in 1991 In Perfect Hostage the most thorough biography of Suu Kyi to date Justin Wintle tells both the story of the Burmese people and the story of an ordinary person who became a hero She's my hero Bono In physical stature she is petite and elegant but in moral stature she is a giant Archbishop Desmond Tutu 1984 Nobel Peace Prize Recipient It is time for all respectable members of the international community to put weight behind their words and take active measures to secure the freedom of Aung San Suu Kyi and the Burmese people Senator John McCain

**Champion of Freedom** Sherry O'Keefe, 2012 In late 2010 Burma's leading pro democracy leader Aung San Suu Kyi walked free after seven continuous years of house arrest imposed by Burma's military rulers Thousands of Burmese turned out to greet The Lady as she is affectionately known in Burma We haven't seen each other for so long Suu Kyi told the jubilant crowd I have so much to tell you Indeed Burma's most popular politician and most vocal critic of the Burmese military had been out of sight and off limits to the Burmese people and the world for almost fifteen of the past twenty one years Burma also known as Myanmar has a long and tortured history and Aung San Suu Kyi's early adult years gave no clue that she would become an iconic hero in Burma's democratic resistance to military rule Suu Kyi's famous father had led the fight for Burma's independence in 1947 General Aung San expected to assume the leadership of Burma after the British granted the country its independence in 1948 However he was assassinated Suu Kyi was only two years old at the time but her father's dream of a unified democratic Burma cast a long shadow on her life In 1962 a military general seized power and closed the door of Burma to the outside world Suu Kyi was out of the country living overseas in India the U S Japan Bhutan and finally England with her British husband and two sons But in the summer of 1988 she returned to care for her dying mother It was then that Suu Kyi unexpectedly got caught up in the biggest uprising in Burma's modern history Burmese students and Buddhist monks poured into the streets to peacefully protest actions by the military junta only to be gunned down by the hundreds by soldiers Suu Kyi has not set foot outside Burma since that fateful time in 1988 Knowing that the military regime will not allow her to return if she leaves the Nobel Peace Prize laureate has remained in Burma enduring extreme isolation the threat of death and personal pain and sacrifice including the chance to see her dying husband one last time Despite it all The Lady has not backed down She remains as determined as ever to see Burma emerge from its isolation and join the family of democratic nations in the world Freedom and democracy she believes are dreams you never give up Book jacket **Aung San Suu Kyi** Chin Geok Ang, 1998
