Aunt Netty And Me:

Aunt Netty and Me Robert G. Wilson,2014-12-01 Aunt Netty and Me is a brief story with lucidity and directness It has the clarity of a fairy tale It touches most of us the feeling of a child that she is presently secure but that others hold her fate in their hands The writer tells the tale without artifice and provides subsidiary characters to enrich the deep narrative The story thus brings back the warmth and anxiety of childhood **Youth's Companion** ,1878 Overlooked Maurice Baring,2022-06-13 In Overlooked Maurice Baring presents a rich tapestry of interwoven narratives that delve into the intricacies of human relationships and the subtleties of identity Set against the backdrop of early 20th century Europe Baring s prose is characterized by its lyrical beauty and sharp psychological insight The novel is steeped in the themes of expatriate life social alienation and the often unseen passions that drive individuals towards existential contemplation Baring employs a nuanced literary style that blends elements of realism and impressionism effectively capturing the fleeting moments that define existence while reflecting on broader societal changes of his time Maurice Baring a prominent author poet and playwright drew inspiration from his varied experiences as an expatriate and a member of the aristocracy His extensive travels across Europe and interactions with a diverse array of cultural figures undoubtedly enriched his perspective allowing him to craft multifaceted characters who resonate with authenticity Baring s own struggles with identity and belonging are palpable in Overlooked imbuing the narrative with a profound sense of introspection and empathy I highly recommend Overlooked to readers who appreciate deep character studies and the exploration of complex emotional landscapes Baring s poignant prose invites readers to reflect on their own lives and relationships making it an essential read for those interested in the intersections of personal and societal narratives **Farmer's Son, Military Career** Clarence Vold,2022-08-01 The book is done it is published and now it is ready for you to read and enjoy my story I am happy to share my experience growing up on the plains of South Dakota completing grade school in a one room school surviving blizzards including getting lost in our yard I have virtually all positive memories for example I remember being in severe pain but I don t remember the pain I can look back and see points where a different decision by me would have changed my life but not necessarily better for me Achieving the highest enlisted grade in the Air Force is in ways the culmination of my military career This career included service as an electronics technician combat crew member military training instructor and scheduler for aircrews missile crews and administrative airlift missions within 5th Air Force and aircraft operations management I followed the tradition of my late brother Robert in serving a hitch in the military 3 years for Robert and 30 years for me and then graduating from college Of course life went on after the Air Force and I have included pictures throughout the time of my story to help you understand my story **Tit for Tat. Presbyter, 1897 Frank Leslie's Pleasant Hours, 1884 The Housewife, 1888 **The Churchman**, 1885 **She is with Angels** August Swanenberg, 2001 *She Is With Angels* recounts the journey from a child's encounter with mental illness and suicide to the adult's quest for understanding the mysteries from thirty years ago. August's childhood is changed forever when his mother becomes clinically depressed. After five years of struggle his mother ends her life. August, his brother and his father face their own and other people's taboos about mental illness and suicide. After his father dies many years later August discovers carefully hidden notes that help him to understand what happened to his mother. *She Is With Angels* is written for survivors of suicide and for those who have experienced mental illness either first hand or through family members or friends. Each year in the U.S. 32,000 people die from suicide more than from murder. Suicide is the leading cause of death among adolescents. A suicide occurs every 15 minutes in the U.S. and it is estimated that an attempt is made about once a minute. Over 40 million Americans will suffer an episode of depression during their lifetimes. One in four families will directly feel the impact of mental illness.
