**The Harem Bride** Blair Bancroft, 2004 It's been ten years since Jason Lisbourne rescued Penelope Blayne from a sultan's harem. **Christmas Carol** Flora Speer, 1999-09-15 A dazzling time travel romance filled with the magic of Christmas past, present, and future. Carol is skeptical of the mysterious ghost who has come to save her from a loveless life. But soon the heartless spinster is traveling through the ages to three different London Yuletides and into the arms of a trio of dashing suitors. *The Safe Lands Complete Collection* Jill Williamson, 2015-06-02 In *The Safe Lands Complete Collection* by bestselling author Jill Williamson, brothers Levi, Mason, and Omar find their entire lives changed after they are made to live behind the Safe Lands walls. Each must navigate the challenges before them and somehow rescue the loved ones who remain alive. Contains *Captives*. In a dystopian future, most of the population is infected with a plague, with the exception of those who live outside the Safe Lands city walls. When a plague mutation sends city enforcers looking for the uninfected, the village of Glenrock is raided. After all the women, including Levi's fiancée, are captured along with Mason and Omar, Levi vows to rescue them even if it means breaking into a land that is anything but safe. What Levi doesn't realize is that Omar knew about the raid as well as the plans Safe Lands has for the women they've captured. *Outcasts* In book two, Levi finds himself not only the leader of the remaining people from Glenrock but also the head of a new rebel force called the Messengers, which intends to expose the Safe Lands lies. At the same time, Mason uncovers secrets that may be more dangerous than he ever imagined. Meanwhile, Omar decides to take matters into his own hands. *Rebels* In the final novel in the Safe Lands series, Mason and Omar are sentenced to Liberation while Levi must find a way to lead the growing rebellion on his own. But everything comes to a head when Levi's now-wife Jemma becomes a pawn in the Safe Lands game. *Outcasts* Jill Williamson, 2014-01-07 Uncovering the truth could cost them their lives. Since entering the Safe Lands, Mason has focused on two things: finding a way to free his village from captivity and finding a cure for the disease that ravages many within the walls of the Safe Lands. After immune-suppressive drugs go missing in the clinic, Mason discovers his coworker Ciddah may know more about the Safe Lands than imagined and may have an agenda of her own. At the same time, Mason's brother Levi is focused on a way to free the remaining Glenrock captives while Mason's younger brother Omar decides to take the rebellion against the Safe Lands into his own hands as a vigilante. Soon all three brothers are being watched closely, and when Mason stumbles onto a shocking secret about the Safe Lands, his investigation just might get those closest to him liberated.
