Handbook of OSHA Construction

Safety and Health Charles D. Reese, James Vernon Eidson, 1999-05-24 Although the construction industry employs only five percent of the nation's work force it suffers 20 percent of the nation's occupational fatalities and 12 percent of all U.S. injuries. Because of this the Occupational Safety and Health Administration (OSHA) has consolidated their construction standards compliance assistance cooperative programs and technical services to form the Directorate of Construction. Construction sites and operations have become the prime targets for the Directorate of Construction which has greatly increased its number of inspections, citations and penalties. The *Handbook of OSHA Construction Safety and Health* is for safety professional, contractor, project manager and owner who has the responsibility of implementing an effective on-site safety and health program. These professionals are now in charge of everything from the safe operation of equipment to the safe removal of hazardous waste from the construction site. It is a practical guide that can be used by the construction industry on existing and future projects and jobsites in the critical area of occupational safety and health. Written using OSHA's Construction standards as a framework the book provides those responsible for construction safety and health with a definitive guide for eliminating safety and health hazards from construction worksites. In addition the handbook addresses subjects such as contractor liability, multi employer sites and focused inspection which are real and time problem areas faced by the construction industry. The *Handbook of OSHA Construction Safety and Health* contains a model safety and health program, examples of accident analysis and prevention approaches, sample safety and health checklist and forms and over 300 illustrations.

Monthly Catalog of United States Government Publications, 1976 [Occupational Health and Safety Technical Assistance Manual](#), 1993 [Navy Lifeline](#), 1983 [Employment Safety and Health Guide](#), 2004 Includes original text of the Occupational safety and health act of 1970 [OSHA Compliance Manual for the Supermarket Industry](#), 1992 [Occupational Safety and Health](#) United States. Department of Labor. Library, Elizabeth K. Van Staaveren, 1978 3884 entries to English language books, pamphlets and journal articles. Books were published from 1965 date and articles 1970 date. Not intended for specialists but for others concerned with occupational health and safety. Emphasis on standards advocated by professional and technical societies. Classified arrangement. Also includes bibliographies, abstracting sources, organizations, publishers and regional field offices. Name and title indexes. **Guide to U.S. Government Publications**, 2008-08 This comprehensive yet concise annual annotated reference source catalogs the important series, periodicals and reference tools published by U.S. government agencies. Over the years the index section of the *Guide to U.S. Government Publications* has expanded to more than 40,000 entries.
