Almost every heresy that has disturbed the unity of the Church has been advocated by men who appealed to Scripture in confirmation of the doctrines they taught The true teaching of the Word of God is gathered from careful and continuous searching of the Scriptures and there is danger of fatal error when conclusions are drawn from isolated passages interpreted in accordance with preconceived opinions It has been found not only expedient but needful that the Christian Churches should set forth in creeds and confessions the doctrines which they believe the Scriptures affirm They are bound not only to accept Scripture as the rule of faith but to make known the sense in which they understand it As unlearned and unstable men wrest and subvert the Sacred Writings it is fitting that those who are learned and not unstable should publish sound
