

# 8<sup>th</sup> GRADE GOALS

## introduction 1

Hey! My name is Donovan and today I will be showing you all my goals for my 8<sup>th</sup> grade year. These goals will help me throughout my 8<sup>th</sup> grade year! Some of these goals will certainly help me in my th grade year but some of them are also some academic goals.

## Paragraph 2

My first goal is I want to try harder to get honorroll ever quarter of 8<sup>th</sup> grade. This will help me for my high school classes because it will put me in just the right classes for me so I get the perfect education so I can get a good job and live my life peacefully and happily. I really want to get a good paying job so I will pay way more attention in my classes. Also if I pay more attention on my FAST tests I'll get the right classes for me.

## Paragraph 3

My second goal is to workout more because it will allow me to do more stuff and being strong is really good for you. Lets say your stuck under something. If your strong you can most likely lift up whatever your stuck on and become free vs if your weak you probably cant lift it up and you need someone else to come help you. Working out can get you healthy and keep your body in shape for when u need it. And the healthier u are the longer u live.

## Paragraph 4

My final goal is to become better at surfing. Surfing is my favorite sport, and im not too good at it I would say im a little below average but I want to learn more tricks like fs 180, an air 360, bs 180 and a lot more I know how to do cutbacks and stuff like that. I want to become a little better at gaining speed on the waves so I can catch up to the wave to to way more tricks. Kelly Slater is my idol he is a pro surfer he is probably the best surfer alive he knows every trick in the book and some only he knows. He even created some on his own! I wanna be just like him when im older he makes millions of surfing because he is sponsored by tons of companies like Monster, Redbull, Lost Surfboards, and Quicksilver.

## Conclusion 5

So, Those are 3 of my goals for 8<sup>th</sup> grade. I really want to try to follow them so I have a good 8<sup>th</sup> grade year to make it to high school. I really hope you enjoyed listening to me talk about my goals and how I can accomplish them. Have an amazing day!
