Anna-Maria,Korkiakangas Pirjo,Olsson Pia,2018-06-15 The volume Memories of my Town is an exploration into how town dwellers experience their environment in a complicated way As people in urban milieus relate themselves to the environment this takes place on many levels where especially the time level becomes problematic The urban buildings and settings can be looked upon as a kind of collective history as carriers or witnesses of times past But it is only the town dwellers that experience urban time itself the time they live in but through their memories also times past In this past some elements take symbolically dense expressions Through reliving and narrating their experiences the symbolically important factors in the this urban relationship will be outlined for investigations concerning three towns Helsinki the capital Viborg the ceded and lost

Carelian town and Jyväskylä a town with dense commercial and civilisatory dimensions in the middle of Finland The symbolic aspects are the kern in all the articles of the book *Memories of my Town* The aim of the book and its articles has been to use different theoretical concepts as guidelines in analysing the different narrative texts Thus the articles are to be seen as independent contributions to the scientific discussion about places urbanism memories and narratives The ethnological outlook is on the other hand an outcome of the joint project *Town Dwellers and their Places* whereby the articles substantially relate to one another Thus the book can also be seen as a joint result of this urban project which was sponsored by the Finnish Academy **All in Together Girls** Kate Sutherland, 2007 Candid and truthful stories about women young and old grappling with generational wariness creative recklessness and illusive purpose celebrate all that is beautiful wild and distinctive in contemporary women All In Together Girls whose title is inspired by a jump rope rhyme is a meeting place for girls as surely as the chant would have been on the playground These stories relate the relentless search for identity and the late night drive through culture of bored teens whose sleepover alibis have left them with no place else to go Hallmarked by entrances into and thought provoking points of exit from moments of addiction betrayal misjudgement and first kisses they are defining portraits of girls and women during the storm and stress of self discovery
