A Creative and Practical Guide for Social Scientists

 [Download File](#)

## Description :

First published in 1994, this well-planned, methodically sound needs assessment can and should be a powerful guiding force for change. As a type of applied social research, needs assessment is meant to foster program development and policymaking. Needs assessments can be used as information-gathering tools by a wide range of organizations, agencies, and social scientists at local, state, regional, and national levels, and can be conducted under a variety of arrangements. This book provides a comprehensive guide to the needs assessment process, from conceptualization through implementation and dissemination of findings.
