Ronald Conte, 2013-10-19 This book on the Apocolypse is not primarily a book of theology but a book of practical considerations related to the end times to the time of suffering for the Church and the world called the tribulation. The author discusses practical considerations that might be useful in order to live with a greater degree of safety and a better quality of life during the Apocolypse. The purpose of this book is to assist the reader in preparing for enduring and perhaps even surviving the most difficult time period so far in human history while still being an active part of society. The question as to when and how the Apocolypse unfolds is controversial among Christians. But one point should be beyond dispute. The Apocolypse will be very severe and will affect everyone on earth. Therefore even if you disagree as to when and how the tribulation will unfold you might still want to read this book discussing ways to cope with this time of great trials for the whole world. May God give you His providence and grace during the difficult years ahead. Chapter List: 1 General Considerations, 2 Events of the Apocolypse, 3 Food, 4 Water, 5 Land and Shelter, 6 Communication and Electronics, 7 Heat Utilities, Transportation, 8 Money and Valuables, 9 Defense of Self and Others, 10 Family, Friends, Neighbors, 11 First Aid and Medicine, 12 Body and Soul.
