Academic Writing for International Students of Business Stephen Bailey, 2013-08-15 Academic Writing for International Students of Business is the first book specially designed to assist overseas students studying Business or Economics courses in English. Most courses expect students to complete a variety of writing tasks as part of their assessment such as essays, reports and projects. For many students these can be a major concern but this book explains the writing process from start to finish and practises all the key writing skills. Academic Writing for International Students of Business is clearly organised and can be used either with a teacher or for self study. It is divided into four main parts: the Writing Process from assessing sources to proof reading the completed work; elements of Writing practising such skills as giving definitions and examples; accuracy in Writing with 15 units on areas from abbreviations to verb tenses; writing models which illustrate emails, CVs, reports and longer essays. This pattern makes it easy for teachers or students to find the help they need with writing tasks. All the units include extensive practice exercises and a full answer key is included. All the material has been thoroughly tested and revised. This is an up to date course which reflects the interests and issues of contemporary Business studies. Critical reading, avoiding plagiarism and working in groups are dealt with in detail. This practical and easy to use guide will help students planning to progress onto a career with international companies or organisations where proficiency in written English is an important asset.

**Academic Writing** Stephen Bailey, 2011-01-25 Most international students need to write essays and reports for exams and coursework. Yet writing good academic English is a demanding task. This new edition of Academic Writing has been fully revised to help students reach this goal. Clearly organised, the course explains the writing process from start to finish. Each stage is demonstrated and practised from selecting suitable sources, reading, note making and planning through to re writing and proofreading. The book is divided into short sections which contain examples, explanations and exercises for use in the classroom or self study. Cross references allow easy access to relevant sections and a full answer key is included. The 3rd edition has been developed in response to suggestions from both students and teachers. Featuring a new website, there is increased coverage of plagiarism, argument, cause and effect, comparison, definitions and academic style. Different forms of writing including reports and literature reviews are also covered. All international students wanting to maximise their academic potential will find this easy to use practical book a valuable guide to writing in English for their degree courses.
