**Aboriginal America** Justin Winsor,1889      Aboriginal American Authors Daniel G. Brinton,2011-05-02 An essay founded on an address presented to the Congress of Americanists at Copenhagen in 1883 It is an extended review of the literary efforts of the red race in their own tongues and in English Latin and Spanish both manuscript and printed An entirely novel field of inquiry is opened to view of equal interest to ethnologists linguists and historians In his American Hero Myths Dr Brinton gives us the clue to the religious thought of the aboriginal Races It is a learned and careful book clearly written popular in style though scientific in method and must be a good deal fresher than a novel to most readers The American Philadelphia This volume is the first attempt at what is entitled to be regarded as a critically accurate presentation of the fundamental conceptions found in the native beliefs of the tribes of America The New England Bibliopolist This is a thoughtful and original contribution to the science of comparative religion The Boston Journal We regard the Hero Myths as a valuable contribution to the history of religion and to comparative mythology The Teacher Philadelphia These few extracts give no idea of the mass of legends in this volume and the queer out of the way information it supplies concerning the ideas and usages of races now extinct or hastening to extinction The Dublin Evening Mail Dr Brinton in his American Hero Myths has applied the comparative method soberly and backed it by solid research in the original authors The Critic New York      Narrative and Critical History of America ,1889      Narrative and critical history of America. 1. Aboriginal America Justin Winsor,1889      *Proceedings of the American Philosophical Society Held at Philadelphia for Promoting Useful Knowledge* ,1900      **Class Catalogue and Author Index of the Osterhout Free Library, Wilkes-Barre, Pa** Osterhout Free Library (Wilkes-Barre, Pa.),1889      **A supplement to Allibone's Critical dictionary of English literature and British and American authors** John Foster Kirk,Samuel Austin Allibone,1891
