About Me Printables:

She Means Business Carrie Green,2017-02-21 Shortlisted for the Business Book Awards Start up Inspiration in 2018 Are you ready to turn your ideas into reality and build a wildly successful business There has never been a better time to say yes With a computer and an Internet connection you can get your ideas messages and business out there like never before and create so much success In this book Carrie Green shows you how Carrie started her first online business at the age of 20 she knows what it's like to be an ambitious and creative woman with big dreams and huge determination but she also knows the challenges of starting and running a business including the fears overwhelm confusion and blocks that entrepreneurs face Based on her personal tried and tested experience she offers valuable guidance and powerful exercises to help you Get clear on your business vision Move past the fears and doubts that can get in the way Understand your audience so you can truly connect with them Create your brand and build a tribe of raving fans subscribers and customers Manage your time maintain focus and keep going in the right direction Condition yourself for success and so much more If you're a creative and ambitious female entrepreneur or are contemplating the entrepreneurial path this book will provide the honest realistic and practical tools you need to follow your heart and bring your vision to life *Make: Volume 84* Dale Dougherty,2023-02-07

What's new in digital fabrication So much In Make Vol 84 we show you how adding dedicated SBCs like a Raspberry Pi make 3D printers vastly smarter and up to five times faster New laser engravers can cut metal for under 2 000 and cheap workhorse diode lasers are everywhere Pro level 3D scanning is on your phone and 3D design software has a flavor for every style of maker Now's the time to level up Plus we dive into how makers can ethically use generative AI to create audio images text code and 3D models for your next project Plus 23 Projects Skills including Build a 30 Vertical Wind Turbine Create Wearable Soft Speakers Wow your friends with a DIY Ambient TV Backlight Sew decorative Light Up Zodiac Embroidery Get involved with Amateur Radio and Software Defined Radio SDR And much more **Storybook Seasons on the Net** Ru Story-Huffman,2002 Provides media specialists and teachers with 24 Internet activities for students K 3 based on picture books about seasons and weather Combines children's literature with the Internet in teaching templates that promote research skills and critical thinking **Passion to Passive Profits** Minimalist Hustler,2022-01-17 I tried the corporate 9 5 world It wasn't for me I didn't want a boss I tried running my own business It wasn't for me I didn't want employees I didn't even really want to deal with customers All I knew is that I needed to find a way to make money that I enjoyed I tried Uber Eats DoorDash I love driving it was fun and paid decently BUT Then I realized it wasn't money that I wanted I wanted time and freedom I needed to find a way to disconnect my income from my time I started investing but I didn't want to be a day trader so I started investing in dividend stocks and the passive income from that is great but unless you have a ton of money to invest the income from it isn't enough I now knew that I had to find a way to create passive income without investing a lot of money or even any money at all This is when I discovered digital assets and I'm not talking about Cryptocurrency or NFTs

although I am currently invested in both of those The digital assets I m talking about are easy to create on your own for free They finally allowed me to own more of my time and most importantly have given me freedom In this book I will show you the exact methods I use to create these 7 different types of digital assets and how I leverage different marketplaces to make passive income from each one Articles Courses eBooks Graphics Photos Printables Templates The best part about these digital assets is that I can create ones that are directly related to my passions from hockey to food and of course side hustles And it can work for absolutely any passion I guarantee it If you can t figure out how to monetize your passion with this eBook you can email me directly and I will give you some examples The book is called Passion to Passive Profits What will you learn from this eBook How to turn your passion s into 7 types of digital assets How to turn those digital assets into passive income streams How to work smarter not harder when it comes to creating them How much time do you need to put in Have an hour a day to do it Great Have three hours a day to do it Awesome Have ten hours a day to do it Incredible The reality is the more time you put in the more passive income you ll create for yourself How much money will you make The more assets you make the more money you will make The amount will depend on the quantity and quality of your assets and your listings on the various marketplaces Want to play around with some numbers and see the math Let s assume it takes you an hour to make 1 digital asset some can be more some less and each sale brings in 1 profit again some can be more some less and you make on average only 1 sale per week per asset If you do 1 hour day and stop after a year you ll have 365 assets which will give you 18 980 passive profits per year forever If you do 3 hours day and stop after a year you ll have 1095 assets which will give you 56 940 passive profits per year forever If you do 10 hours day and stop after a year you ll have 3650 assets which will give you 189 800 passive profits per year forever And that s from only 1 year of creating assets what if you did it for 2 5 or 10 years Looking forward to working with you and monetizing your passions I m always just a DM or email away for any help or questions Jamie a k a Minimalist Hustler
