Students will explore the theme, and will engage in learning on a topic just chosen, keep this section brief as it will only bring students into class, teach by the class, not students. Create lesson plans and ideas, utilizing students' interests while the class has been introduced and exposed to basic concepts. Encourage them to use just basic concepts while learning. Allow for some original ideas from these basic concepts. If students need more after class, have them go to their basic concepts and ask for help. Encourage them to keep projects simple. Encourage them to be creative on paper and not use materials. Encourage them to design something that makes them happy and a student's personal favorite. Create PPTs of student's favorite projects to use for PPTs.
