Joining the Dialogue: Practices for Ethical Research Writing Bettina Stumm,2021-07-08 Joining the Dialogue offers an exciting new

approach for teaching academic research writing to introductory students by drawing on communication ethics Holding to the current view that academic writing means situating ourselves in a research community and learning how to join the

research conversations going on around us Joining the Dialogue proposes that how we engage in dialogue with other

researchers in our community matters We not only read acknowledge and build on the research of others as we compose our work we also engage openly attentively critically and responsively to their ideas as we articulate our own With this in mind

Joining the Dialogue is geared to helping students discover the key ethical practices of dialogue receptivity and response

ability as they join a research conversation It also helps students master the dialogic structure of research essays as they write in and for their academic communities Combining an ethical approach with accessible prose dialogic structures and

templates practical exercises and ample illustrations from across the disciplines Joining the Dialogue teaches students not

only how to write research essays but also how to write those essays ethically as a dialogue with other researchers and
