*Musical Opinion and Music Trade Review*, 1889    **The Record Changer**, 1947    *Schwann Compact Disc Catalog*  
1988-07    Chet Atkins Chet Atkins, Michael Cochran, Russ Cochran, 2003 Chet Atkins *Me and My Guitars* is without a doubt the most comprehensive and enlightening book on Chet Atkins ever published. A friend of Atkins for 40 years Russ Cochran was privy to stories from Chet that even the most knowledgeable Chet fan would never know about. Chet tells it all in his own words about his childhood his playing influences and early struggles to find work along with insight into the guitars he used and endorsed along the way. The book includes full color photos of Chet and his guitars many only previously seen in a limited collector's edition. Photographer Wolf Hoffman manages to expertly capture the images of some very famous guitars played by Chet including his first Sears Roebuck Silvertone custom made D Angelicos the Gretsches and the prototype models of the current Gibson Country Gentleman guitars. Over 60 guitars in Chet's private collection are photographed in Chet's home and his office on Music Row. Chet speaks about each of his important guitars including the Gibson L 10 which his brother Jim gave him telling the story of his career as seen through his guitars. More than just a pictorial review of his guitars throughout the years it's a fascinating look inside the mind of history's greatest guitar player. This book will appeal to guitar collectors and Chet Atkins fans everywhere. Full color and B/W photos throughout.
