Envy. Conspiracy. Hypocrisy. Betrayal. Assassination. Pride. Suicide. The Ides of March. The tides of war. Julius Caesar makes today's political scene seem boring. If the original text seems Greek or geek to you now you can read and enjoy it in a modern translation that's easy to understand. Special aids make following the action and grasping the meaning a snap. A brief synopsis of the plot and action. A comprehensive character list that describes the characteristics, motivations and actions of each major player. A visual character map that shows the relationships of major characters.
