

welcome TO 2ND GRADE!

I am so excited that YOU are in my class this year! I hope you had an awesome summer. I can't wait to hear about all of the things you did & adventures you had.

This year, we will learn new things and you will make new friends. I am positive this will be an amazing school year, and I can't wait to meet you so soon!

On September 2nd, you will have a chance to come into our room to meet me & see your classroom from 2:00-2:45pm. I hope you can make it! If not, I look forward to seeing you on September 9th for our first day of second grade!

Love,
Mrs. Jarrell

Easy and Effective Ways to Communicate with Parents Barbara Mariconda, 2003-03 A veteran teacher provides surefire tips on how parent teacher communication can work for everyone *The New Teacher's Complete Sourcebook*

Bonnie P. Murray, 2002 A seasoned elementary teacher shares her strategies in this amazing super practical guide You ll find everything you need to set up your classroom for maximum learning prepare dynamite lessons create an effective classroom management plan and so much more From getting ready for the first day to staying on target through June this must have book will be your companion for years to come For use with Grades K 4 *The Conscious Teacher* Deborah Nichols Poulos, 2020-01-13

The Conscious Teacher is about all kinds of strategies and techniques educators might employ to become more effective teachers In an accessible conversational style Deborah Nichols Poulos presents unique approaches to teaching that will inspire new and veteran teachers alike She begins with her personal story of not being able to read all through elementary school Her early failures convinced her she was dumb At first she struggled but when she still failed she adopted an avoidance strategy that served her well until junior high An experience in the seventh grade flipped a switch and started her on a journey to becoming an outstanding student and later to applying the lessons she learned as a child to her own teaching What makes The Conscious Teacher unique are the inspirational lessons that are unlike what most teachers get in their teacher education courses or student teaching Ms Nichols Poulos points out for example that from the very first day it is important that students learn they will be treated with dignity and respect no matter what And especially helpful are the steps Ms Nichols Poulos employs to set up a behavior management plan that works She explains the strategic steps she takes before school starts how essential it is to get to know each student before they walk into class on that first day She also illustrates how setting up classroom routines helps students know what to expect and how to make the best use of every minute And she emphasizes the importance of the parent student teacher team and includes many examples of how to communicate with and involve parents even those who may be difficult Foundational to her program are reading and writing Among other things she lays out the steps for students even as early as fourth grade to write five paragraph essays and their own student authored books and to research and write reports that include bibliographies When she differentiated curriculum to support all students needs she found their learning accelerated All teachers will appreciate her ideas about how to teach the basics of math as well as advanced math concepts And her ideas for teaching the arts are inspirational as she describes in detail how her fourth graders performed Shakespeare s Hamlet Macbeth King Lear Julius Caesar and A Midsummer Night s Dream She also shows how to integrate social studies with literature and writing Her experiences taught her that young students are much more capable than many people realize The Conscious Teacher is an indispensable guide for all new teachers Many of the ideas Ms Nichols Poulos provides will also be an eye opener for parents and experienced teachers as well The Conscious Teacher is simply a must have for anyone truly interested in giving young children a positive

and solid foundation for their later schooling

Up Against the Ivory Tower: a Memoir Shyamala Rajender, Shyamala Rajender breaking all restrictive rules customs mores and traditions inflicted on women in India comes to America alone with a song in her heart wings on her feet and eight dollars in her pocket seeking the American Dream The University of Wyoming in Laramie granted her admission for graduate studies in chemistry that eventually would lead to gainful employment and economic independence She and her family settle into their new life together in Laramie with things going

swimmingly for them Shyamala never imagined nor did she have a crystal ball or a soothsayer to predict that she would be embroiled in a ten year long battle for gender equality culminating in a precedent setting victory in a first of its kind class action lawsuit filed in a federal district court in Minnesota against a major midwestern university for gender discrimination Her victory sent shock waves throughout the academic world and continues to have a major positive impact in changing their policies and procedures in faculty employment promotions tenure salaries and other benefits Realizing that no university would now touch her with a twenty foot pole she changed her career path and has become a lawyer with her own office in the San Francisco Bay Area
