

## ADVANCED PLAYER'S GUIDE

CLASS PLAYTEST

Welcome to the playtest for the *Pathfinder Advanced Player's Guide*! This sourcebook will bring lots of fun and exciting options for players at the table and is scheduled to release in July of 2020. One of the most exciting features of the *Advanced Player's Guide* is the four new classes we're introducing—but we need your help to playtest them!

- The **investigator** is a savvy, street-smart character who takes cases to uncover clues and solve mysteries. This class ties to parts of the game that aren't covered in depth in the Core Rulebook, so the playtest will see if their approach to solving mysteries is satisfying, while keeping the rules for the game as a whole flexible.
- The **oracle** commands divine powers by drawing from universal concepts, casting powerful revelation spells that take a toll on their body and manifest as a double-edged curse. We want to make sure the curse effects are fun and engaging without disrupting the balance of the class compared to other characters. For the playtest, we've selected only a subset of mysteries, but there will be more in the final version.
- The **swashbuckler** is the flamboyant daredevil of the battlefield, tumbling through foes and entering a heightened state to deliver devastating finishing blows. We'll be testing a system that encourages them to gain panache, a state of bombastic flair that lets them use more powerful abilities. The playtest version emphasizes new rules specific to the class so that we can playtest those thoroughly, but the final version might pick up some of the fighter's weapon feats suited to dueling.
- The **witch** serves a mysterious patron entity, casting spells and hexes learned through a powerful familiar. This is the most flexible spellcasting class we've introduced, since it allows you to build your own path by selecting not only feats, but also lessons from your patron. We want to make sure those options work well both narratively and mechanically across all three of the spellcasting traditions the witch can gain access to.

## HOW TO PLAYTEST

The playtest will run until December 2nd, 2019. We're looking for your feedback, comments, and criticisms regarding these classes, but we're focusing our attention on feedback from play. Make new characters, use them as PCs or adversaries, and run a few game sessions or encounters incorporating them!

Anything can change based on the results of the playtest! These are early iterations of the new classes; some abilities might be a bit extreme or stretch some assumptions of the game, and the best way to find out if we've gone too far (or in the wrong direction) is for us to deliver these classes into your hands. Because the playtest window is relatively short, we don't expect to release any changes to these classes during the playtest itself, only in the final version of the book.

Once you've had a chance to try these classes, you can submit your feedback in the following ways.

- **Surveys:** Head to <https://www.surveymonkey.com/r/APGClassSurvey> and <https://www.surveymonkey.com/r/APGOpenResponse> to take surveys that will allow us to gather your responses. These surveys will be available starting Tuesday, November 12, 2019, and they will remain open until the end of the playtest.
- **Forums:** On [paizo.com](https://paizo.com), you'll find a general forum for discussion and announcements, plus forums for each of the four new classes. When you post to the forums, look for existing threads on your topic before starting a new one. Remember that every poster is trying to make the game better for everyone, so please be polite and respectful.

We'd like to thank you for participating in the *Advanced Player's Guide* playtest. We're looking forward to seeing what you think and using your feedback to make these classes the best they can be!
