I then discuss my approach in my research design followed by a critical evaluation of my progress so far supported by my documentary evidence

As a key part of the teaching and learning process assessment is a frequent focus in educational research both

generally and specifically in modern languages ML The Office for Standards in Education state that best practice includes regular assessment of all four language skills while the Department for Education DfE make no specific mention of assessment in the National Curriculum This shows that there are multiple viewpoints on the importance of assessment and monitoring
