Interesting Women Stories:

Interesting Women Andrea Lee, 2003 American brio confronts European sophistication in these critically acclaimed stories of seduction and self discovery by New Yorker writer Andrea Lee In vivid prose shot through with mordant irony Lee offers the reader a rare combination sensual evocation of the moment and profound insight into the underlying struggles of gender race and class that shape relationships worldwide Inspiring Women Gail Youngberg, Mona Holmlund, Saskatoon Women's Calendar Collective, 2003 The history of women in Canada is one of starting out struggling to feed and clothe their families and ending up writing the great Canadian novel Inspiring Women charts women's course from subsistence to cultural production **A Woman's Story** Mrs. S. C. Hall, 1857 The Erotic Thriller in Contemporary Cinema Linda Ruth Williams, 2005 This bold and original book examines in detail a relatively new genre of film the erotic thriller Linda Ruth Williams traces the genre's exploitation of pornography and noir discusses mainstream stars including Michael Douglas and Sharon Stone as well as genre branded direct to video stars charts the work of key producers and directors and considers home videos as a distinct form of viewing pleasure She maps the history of the genre analyzing hundreds of movies from blockbusters such as Basic Instinct Fatal Attraction and In the Cut to straight to video film titles such as Carnal Crimes Sins of Desire and Night Eyes Williams's witty and illuminating readings tell the story of this sensational genre and contribute to the analysis of mainstream screen sex and its censorship at the beginning of the 21st century She shows that as the erotic thriller plays out the sexual fantasies of contemporary America it also provides a vehicle for marketing those fantasies globally Divining Woman Jane Flower, 2024-04-30 Divining Woman is directed to both the academic for research praxis and general reader interested in female history It takes the reader on a historical journey from the rise of patriarchy and its grand narratives that defined the place of women in western culture and which still resonate today At the same time is the lesser but extremely interesting history of a contemporary woman as she navigates the place of one woman in today's world and how the reader might evaluate their own place as a creative force in reclaiming her voice culture and lineage today The author takes a systemic approach in her research that introduces a different history of certain women throughout time with their specific characteristics and skills as well as their impactful actions It is a reclamation of female culture and a newfound history of female genealogy within a framework that covers the female spiritual in Celtic Christian Buddhist and the secular arts The in depth research historical and cultural interplay literary quests and myths promote a compelling case of women's fight against subjugation and exclusion This is both academic research and feminist storytelling intertwined with historical events that provide the reader with a creative insight into the topic On one hand academic research and analysis style gives an overview of patriarchy and its effects past and present and on the other The first person narration personal anecdotes and storytelling help bring Divining Woman to life Content is thus enhanced and complemented by these two styles This thesis places the reader in a prime position to launch the young academic on the road to finding solutions outside the mainstream
