Sid Singh,2017-03-06 This book tells a fun filled adventure story of magical Pen In this book you will meet a pen which gives life and transforms things its name is Penovita which means Pen of Life Written By Sid when he was 7 Years Old Boy In this book a relationship begins between a strong and ambitious Dragon Kind hearted Sid and an innocent Magical Pen Sometimes we have no villains in the life but life provides challenges and these challenges teach us valuable lessons Our approach

brings villains and friends in our life    **The Magic Pen** Trev Edwards,2022-01-04 The old lady has lived on her own for as

long as she can remember She enjoys her own company watching the fire dance and drawing with her special pen Her quiet solitude was broken by drastic banging the likes of which she has never heard before Nobody ever knocks on her door Well perhaps once but never twice and only for good reason The banging started again There is a determination in this hammering on her door Could this be the grim reaper hoping to find the old lady dressed and ready for him Nobody else is brave enough to touch that knocker    *Children of the Magic Pen* Nilima Sinha,Nita Berry,Devika Rangachari,Girija Rani

Asthana,2014-10-16 Children of the Magic Pen published by Ratna Sagar is the result of a collaborative exercise by members of AWIC the Indian section of IBBY It was penned under the guidance of noted theatre personality Feisal Alkazi who subsequently directed four successful performances of the play by his theatre group This lively and humorous play is suitable

for the middle school stage Its theme of the immortality of books is greatly relevant especially in times of distracting and addictive social media The play brings together some of the most memorable and lovable characters from literature and media the clever and street smart Aladdin who lives on his wits Long John Silver from Treasure Island singing his trademark Yo ho ho and a bottle of rum the cackling witch from Hansel and Gretel who evokes fear in children and the endearing pair of the bandar monkey and the magarmach crocodile from the Indian classic Panchatantra These characters come face to face with P L Travers Mary Poppins the perennial friendly singing nanny who always carry an umbrella and a carpetbag Satyajit Ray s creation the detective Feluda the Off with their heads Queen of Hearts and the scared White Rabbit of Alice in Wonderland and finally the robot R2D2 from Star Wars As they travel together with the protagonist a young girl in search of the Magic Castle they face many challenges Disunity and greed break the travellers into two groups with the rebellion led by Long John Silver Although the group reunite they face new hurdles First they meet Rangeela Raja and Rangeen Rani symbolic of the distraction offered by the glamorous world of cinema and television which threaten the habit of book reading In spite of every difficulty the Girl and her storybook friends march on The characters fall into the Pit of Oblivion symbolic of their erasure from our memory and our lives On the girl s earnest request Rangeen Raja jumps in the pit to save them Soon after they are attacked by Termites which later transform into Computer Viruses but are destroyed by the eponymous hero of the Prince of Persia video game Finally as they reach their destination they realize that the Magic Castle is actually a library a haven for books The girl is awarded a lifetime membership of the library and a magic Gold Card that will transport her to the library any time she wishes for escorting all the characters to their destination safely and thus giving them the treasure of immortality The unique and symbolic play is a reminder of the importance of books in our lives and what we may do to preserve them The journey of the girl and the fictional characters towards immortality and perennial readership is a metaphor of this need to keep books alive
