binding can withstand the wear and tear of daily use on the job. This is an essential clinical reference no LPN student should be without. NEW Updated content throughout brings you the most current information available for LPN practice. All information is HIPAA and OSHA compliant and reflects the latest practice standards and guidelines. Commonly used but rarely memorized clinical information such as charts, graphs, formulas, conversions and lab values puts vital information in your hands to deliver safe and effective nursing care. Ten tabbed color coded sections with contents listed on each divider provide quick access to hundreds of essential facts, formulas, lab values, procedures and more. Durable, waterproof and stain resistant paper is tough enough for any clinical setting. It can be written on and wiped off as needed and will even float if it falls into water. Tabs for obstetric, pediatric and geriatric information enable easy retrieval of information to treat these specialized populations. Convenient pocket size format and spiral binding make this book easy to carry and use in any clinical setting.
