Professional Baking, Student Study Guide Wayne Gisslen,2016-08-01 This is the Student Study Guide to accompany Professional Baking 7th Edition Gisslen's 7th edition of Professional Baking continues to educate hundreds of thousands of students with clear detailed instructions in the theory and techniques necessary to meet the demands of the professional kitchen. The title continues to comprehensively cover baking basics while also offering enhanced coverage of higher level techniques such as pastry, chocolate and sugar work. Balancing theory and practice, Professional Baking provides both the understanding and performance abilities needed to progress and develop in a successful baking career. Also included with Professional Baking are six glossy method cards that provide step by step photos and instructions on mixing and pie methods and pastry basics.

Professional Baking, 8e Student Study Guide Wayne Gisslen,2021-11-23 A comprehensive and reliable approach to the foundations of baking ideal for students and early career professionals. In the newly revised Eighth Edition to Professional Baking, best selling author Wayne Gisslen delivers a comprehensive and accessible introduction to baking practices including the selection of ingredients and proper mixing and baking techniques. The book discusses makeup and assembly as well as skilled and imaginative decoration and presentation in a straightforward and learner friendly style. The new edition includes updates to the art program including new photos, tables and illustrations throughout the book. Revised and updated formulas and recipes including new material on emulsions, revisions to the text explaining mixing techniques, no-knead breads and double hydration. New material and recipes on the construction of entremets and revised material on the Joconde Method and dough lamination. STUDENT STUDY GUIDE The Student Study Guide to accompany Professional Baking Eighth Edition gives students an opportunity to test their knowledge of the fundamental principles of baking. That understanding is critical to perform the practical skills of baking and pastry. Each chapter presents exercises to test that knowledge including identifying key terms and their definitions, calculations such as costing and baker's percentages, formulas, true/false questions and short answer questions, and other written exercises. The exercises in this Study Guide allow students to gain confidence in what they have learned and identify areas that may require more review.
