Rosser, Richard T. Smart, Rosemary M. Schaff, 1979 This Guide describes procedures to be used by Waterways Experiment Station WES personnel in the preparation of reports for publication and distribution. Such procedures should simplify the author's task by furnishing him a guide to follow in arranging his material. The Guide establishes procedures for insuring uniformity of certain features common to all reports while permitting flexibility in the presentation of the technical subject. Matters requiring uniform treatment are clearly indicated throughout the Guide. Suggestions for good practice in the presentation of data and text material are included to assist the author in producing a clear, concise and well-organized report.
