Ernest Bainbridge Lipscomb

2012 International Fraud Examiners Manual:

Fraud Prevention and Detection Rodney T. Stamler, Hans J. Marschdorf, Mario Possamai, 2014-03-12 Most fraud cases could have been prevented or detected earlier if early warning signs had been taken seriously. This volume enables officers and directors to protect themselves and their entities against fraud by effectively detecting, analyzing, and acting before any damage can be done. Based on an empirically tested strategy, the book teaches readers how to find Red Flag indicators of fraud or suspicious transactions in financial statements, budgets, and contracts and know how to ensure that once a Red Flag has been identified, appropriate action is taken. *Encyclopedia of White-Collar and Corporate Crime* Lawrence M.

Salinger, 2013-06-14 Since the first edition of the Encyclopedia of White Collar and Corporate Crime was produced in 2004 the number and severity of these crimes have risen to the level of calamity so much so that many experts attribute the near Depression of 2008 to white collar malfeasance namely crimes of greed and excess by bankers and financial institutions. Whether the perpetrators were prosecuted or not white collar and corporate crime came near to collapsing the U.S. economy. In the 7 years since the first edition was produced we have also seen the largest Ponzi scheme in history Maddoff an ecological disaster caused by British Petroleum and its subcontractors Gulf Oil Spill and U.S. Defense Department contractors operating like vigilantes in Iraq Blackwater White collar criminals have been busy and the Second Edition of this encyclopedia captures what has been going on in the news and behind the scenes with new articles and updates to past articles.
