**Management of the Difficult and Failed Airway, Third Edition** Orlando Hung, Michael F. Murphy, 2017-11-23

Publisher's Note: Products purchased from Third Party sellers are not guaranteed by the publisher for quality, authenticity, or access to any online entitlements included with the product. A full color case-based guide to effectively managing airway emergencies, updated to reflect the latest devices and techniques. Written by the creators of the Difficult Airway Course Anesthesia™, this beautifully illustrated and extensively referenced text delivers a comprehensive review of the latest options available for airway management and offers expert coverage of the full spectrum of airway management techniques. Within its pages, you will find the most up-to-date review available of the many innovations that have been introduced since publication of the previous edition. This is accompanied by a thorough review of the pharmacology of airway management designed to help you understand how to achieve the desired effects on ventilation and muscle strength. You will also find numerous algorithms, many of which have been revised for this edition. Presented in full color, the book is enhanced by dozens of airway management vignettes divided into Pre-Hospital Airway Management, Airway Management in the Intensive Care Unit, Airway Management in the Operating Room, Airway Management in the Pediatric Population, and Airway Management in the Unique Environment. These cases teach trainees the fundamental approaches to airway management and include self-evaluation questions to reinforce the lesson. For experienced anesthesiologists, the cases present an opportunity to learn about recently introduced devices and techniques they may wish to incorporate into their clinical practice. If you are in need of an expertly written text that describes all of the leading edge principles, tools, and procedures of airway assessment and management, your search ends here. [PreTest Emergency Medicine, Fifth Edition](#) Adam J. Rosh, Ciara

Barclay-Buchanan, 2020-12-28 The trusted resource that asks the right questions so that you will be equipped with the answers.
