Keith Booker,1994-05-25 Dystopian literature is a potent vehicle for criticizing existing social conditions and political systems While utopian literature portrays ideal worlds dystopian literature depicts the flaws and failures of imaginative societies Often these societies are related to utopias and the dystopian writers have chosen to reveal shortcomings of those social systems previously considered ideal This reference overviews dystopian theory and summarizes and analyzes numerous dystopian works By reviewing the critical thought of particular dystopian theorists the beginning of the volume provides a theoretical context for the remainder of the book Because dystopian literature is so closely related to utopian writing the reference profiles and discusses eight important utopian works The rest of the book includes entries for numerous dystopian novels plays and films Each entry summarizes the work and discusses dystopian themes The entries include short bibliographies with full bibliographic information provided at the end of the volume This comprehensive guide covers the full period from Thomas More s *Utopia* to the present day Truth Seeker ,1885 *Video Rating Guide for Libraries* ,1990 *Modern Orthodoxies* Lisa Mulman,2013-09-13 This study introduces a genuine provocative religious vocabulary into the discourse on Modernist art and literature Mulman looks at key texts and figures of the Modern period including Henry Roth Amedeo Modigliani James Joyce and Art Spiegelman revealing a significant engagement with the rituals of Jewish observance and the structure of Talmudic interpretation While critics often view the formal experimentation of High Modernism as a radical departure from conventional beliefs this book shows that these aspects of Modernist art are deeply entwined with and indebted to the very traditions that they claim to be writing against As such the book offers a unique and truly multidisciplinary approach to Modernist studies and a cogent analysis of the ways in which spirituality informs artistic production
