

## JANUARY ... DOES IT BRING YOU JOY?

1 January is the time for renewal on many fronts. It's the time of the year to re-evaluate everything. If something or someone doesn't bring you joy, it's pretty pointless carrying on with it. If we want the best, we must do our best. We must keep our family space safe and secure so that we are thriving as a people and as a nation. 5

2 In order to live their best lives, people are spreading themselves thinner and thinner with ~~multiple~~ streams of income. In the process we earn more but live less, we lose our ~~focus~~ of what is important.

3 With social media, ~~keeping up with other Instagrammers~~ are having a devastating effect on self-perception. Everything appears to be real perfect, but the fabric of our society is frazzled. Use January to take stock and start navigating new ways of doing things. Instead of multiple streams of sole sessions, travel more, and connect with people and places that bring you joy. 10

*The Ballad of the Lone Medievalist* Kisha G. Tracy, John P. Sexton, 2018 Working medievalists are often the only scholar of the Middle Ages in a department a university or a hundred mile radius. While working to build a body of focused scholarly work the lone medievalist is expected to be a generalist in the classroom and a contributing member of a campus community that rarely offers disciplinary community in return. As a result overtired and single medievalists often find it challenging to advocate for their work and field. As other responsibilities and expectations crowd in we come to feel disconnected from the projects and subjects that sustain our intellectual passion. An insidious isolation even from one another creeps in and soon even attending a conference of fellow medievalists can become a lonely experience. Surrounded by scholars with greater institutional support lower teaching loads or more robust research agendas we may feel alienated from our work the work to which we've dedicated our careers. The Lone Medievalist the collaborative community and the book is intended as an antidote to the problem of professional isolation. It is offered in the spirit of common weal that marks the ideals if not always the realities of so many of the communities we study agricultural professional national notional and of course monastic. The Ballad of the Lone Medievalist isn't only about scholarship or teaching or institutional life or the pursuit of new learning it's about all of them. The book describes the inception support and unlimited funding of these groups by the Sunni Arab countries and implores the Funders to discontinue their support forthwith to restore peace and stability to the marginalized communities particularly the Shia Muslims of the world who have been subjected to persecution for centuries ever since the advent of Islam in the seventh century following the death of the Prophet of Islam in 623 The book also implores the World powers to end their tacit support of terrorism by seriously confronting the supporters of terrorist groups without which the terrorism will not end
