**Romance, Diaspora, and Black Atlantic Literature** Yogita Goyal, 2010-04-22 Romance Diaspora and Black Atlantic Literature offers a rich interdisciplinary treatment of modern black literature and cultural history showing how debates over Africa in the works of major black writers generated productive models for imagining political agency Yogita Goyal analyzes the tensions between romance and realism in the literature of the African diaspora examining a remarkably diverse group of twentieth century authors including W E B Du Bois Chinua Achebe Richard Wright Ama Ata Aidoo and Caryl Phillips Shifting the center of black diaspora studies by considering Africa as constitutive of black modernity rather than its forgotten past Goyal argues that it is through the figure of romance that the possibility of diaspora is imagined across time and space Drawing on literature political history and postcolonial theory this significant addition to the cross cultural study of literatures will be of interest to scholars of African American studies African studies and American literary studies **Short stories [formerly Magazine of short stories].**, 1896 **The Best Short Stories 1940** Edward Joseph O'Brien, 1940

Armengol, 2010 Richard Ford and the Fiction of Masculinities demonstrates how contemporary U S novelist Richard Ford winner of the Pulitzer Prize for literature rewrites gender and in particular masculinity from highly subversive and innovative perspectives Josep M Armengol analyzes the construction as well as the de construction of masculinity in all of Ford s major fictional texts to date ranging from A Piece of My Heart to The Sportswriter to The Lay of the Land Given its simultaneous critique of traditional masculinity and its depiction of alternative models of being a man Ford s fiction is shown to be particularly interesting from a men s studies perspective which aims not only to undermine patriarchal masculinity but also to look for new non hierarchical and more egalitarian models of being a man in contemporary U S culture and literature By framing Ford s contemporary representations of masculinity within a more general context of American literature this book reveals how his texts continue along a trajectory of earlier American fiction while they also re examine masculinity in new more complex ways Richard Ford and the Fiction of Masculinities contributes to the much needed revision of men and masculinities in U S literature and especially Richard Ford s fiction where constructions of gender and masculinity remain paradoxically enough largely
