## **Abraham Lincoln English Edition:**

*Abraham Lincoln's Religion* Stephen J. Vicchio, 2018-03-23 This work is a summary and analysis of Abraham Lincoln's religion. This study begins with a description of the earliest relations Mr Lincoln had with religion his parents dedication to a sect known as the Separate Baptists. By late adolescence Lincoln began to reject his parents' faith and he appears to have been a religious skeptic until his marriage to Mary Todd. After his marriage he attended Protestant services with his wife and family but there was little evidence that he was deeply religious in that time. Lincoln knew the Scriptures quite well but it was not until the death of his two sons Eddie in 1850 and Willie in 1862 that as the sixteenth president put it He became more intensely concerned with God's Plan for human kind.

**The Life of Abraham Lincoln** Stefan Lorant, 1959 A simplified English edition. The text of this book has been specially prepared for the beginning reader. It has been condensed in length and the vocabulary has been reduced to 3 000 words. The story of a great and beloved American President with eight pages of photographs. Front cover.
