

ABSENT COMPANIONS

Photo Courtesy: Albert Lavallee/NWTF

After your age has gotten into double digits, and the first digit of the number is an 8, unless you have spent an awful lot of your time in prison, you have run through a lot of companions and made a lot of friends and acquaintances.

Not that the people you know today are any less interesting than those of other years, but a lot of the interesting ones have already gone to that great wood yard in the sky.

I take a drink to these vanished companions every night of my life partly in gratitude for having known them and partly for a selfish reason, namely, that I warm my id at their coals.

-Tom Kelly

Absent Companions English Edition

John Allen Giles

Absent Companions English Edition:

Companion to the Latest Edition of the British Pharmacopoeia Peter Squire, Sir Peter Wyatt Squire, 1880

Squire's Companion to the Latest Edition of the British Pharmacopoeia Sir Peter Wyatt Squire, 1873 **A Companion to the Greek Testament and the English Version** Philip Schaff, 1885 **Companion to the Latest Edition of the British Pharmacopoeia** Peter Squire, Sir Peter Wyatt Squire, 1877 A Companion to the Translation of Classical Epic Richard Armstrong, Alexandra Lianeri, 2025-04-01

The first volume of its kind to integrate trends in Translation Studies with Classical Reception Studies *A Companion to the Translation of Classical Epic* provides a comprehensive and wide ranging account of key debates and case studies centered the translation of Greek and Latin epics Rather than situating translation studies as a complementary field or an aspect of classical reception the Companion offers a systematic framework for adapting and incorporating translation studies fully into classical studies Its many chapters elaborate how translation is a central element in the epic s reception trajectories across the globe and addresses theoretical and methodological concerns arising from this conjunction The Companion does not just provide a comprehensive overview of the translation theories it covers but also offers fresh insights into theoretical and methodological issues currently at the top of the interdisciplinary agenda of scholars studying the global routes of ancient epic In its sections leading classicists translation theorists classical reception scholars and cultural historians from Europe and North and South America reconfigure questions this research faces today highlighting methods for an integrated approach It explores how this integrated perspective responds to key challenges in the study of the epic s reception emphasizing topics of temporality gender agency community target language politics and material production A special section also features detailed dialogues with active translators such as Emily Wilson Stanley Lombardo and Susanna Braund who speak extensively and frankly about their work This is a key volume for all students and scholars who want to engage with research reflecting the contemporary agenda in classical reception translation studies and the study of epic in its global literary and cultural routes Brill's Companion to Classics in the Early Americas ,2021-08-30

Brill s Companion to Classics in the Early Americas illuminates the remarkable range of Greco Roman classical receptions across the western hemisphere from the late fifteenth to the early nineteenth century Bringing together fifteen essays by scholars working at the intersection of Classics and all aspects of Americanist studies this unique collection examines how Hispanophone Lusophone Anglophone Francophone and or Indigenous individuals engaged with Greco Roman literary cultures and materials By coming at the matter from a multilingual transhemispheric perspective it disrupts prevailing accounts of classical reception in the Americas which have typically privileged North over South Anglophone over non Anglophone and the cultural production of hegemonic groups over that of more marginalized others Instead it offers a fresh account of how Greco Roman literatures and ideas were in play from Canada to the Southern Cone to the Caribbean treating classical reception in the early Americas as a dynamic polyvocal phenomenon which is truly transhemispheric in reach

The Anthem Companion to Karl Jaspers Hans Joas, Matthias Bormuth, 2025-04-15 This collection of articles by an international group of leading experts has its special focus on the relevance of Karl Jaspers's philosophy for the social sciences. It also includes classical evaluations of Jaspers's thinking by renowned authors Talcott Parsons and Jürgen Habermas. Several chapters are devoted to the relationship between Jaspers and his teacher Max Weber, his famous student Hannah Arendt, and crucial figures in his intellectual world Wilhelm Dilthey, Georg Simmel. Others deal with his relevance for disciplines from psychiatry to the study of religion and the historico-sociological research about the Axial Age, a term coined by Jaspers. In his introduction editor Hans Joas tries to systematise Jaspers's relevance for the contemporary social sciences and to explain why Parsons had called him a social scientist's philosopher. The book promises to become an indispensable source in the re-evaluation of Jaspers's thinking in the years to come.

Chapters from a Guianese Log-book, Or, The Folk-lore and Scenes of Sea-coast and River Life in British Guiana Charles Daniel Dance, 1881

A Companion to Old and Middle English Literature Laura Lambdin, Robert Thomas Lambdin, 2002-06-30

Many of the contributors to this companion teach English at American universities. The volume which provides undergraduates with an overview of the field contains 19 chapters each describing a different genre including epic poetry, chronicle, Breton lay, balladry and riddles. The chapters include a short bibliography; a more comprehensive bibliography appears at the end. Annotation copyrighted by Book News Inc. Portland, OR.

Dod's Parliamentary Companion, 1895

Malvina Marijn S. Kaplan, 2015-09-30

Often linked to the works of early Romanticism, Sophie Cottin's *Malvina* (1803) was a bestselling sentimental novel. First published in France, the English translation by Elizabeth Gunning, a prolific novelist in her own right, allowed Cottin's book to achieve success internationally. This is the first modern scholarly edition of *Malvina*.

The Literary World, 1878

Old English Chronicles John Allen Giles, 1901

The Youth's Companion Nathaniel Willis, Daniel Sharp Ford, 1883

Includes music.
