## **Abundance Through Reiki:**

*Abundance Through Reiki* Paula Horan, 2016-01-01 Chinese Medicine and Ayurveda explores the enduring features of humanity's longest and continually practised systems of medicine. These two indigenous healing arts arising independently in China and India communed and exchanged experience, techniques and therapeutic substances over the epochs of their development. This book's interesting and valuable comparison provides a pioneer effort in examining side by side two great systems of medicine, studying closely the historical, theoretical and practical relationships. In so doing, it offers these ancient paradigms into the practice of modern healing for a synergistic, inclusive approach. *Reiki* Walter Lubeck, 2003-03-01 FOR SALE IN SOUTH ASIA ONLY

*Empowerment Through Reiki* Paula Horan, 1998-01-26 Dr Horan, an experienced Reiki master, describes exactly how Reiki energy works the way it can be used and the effects that can be achieved with its help.

direction when Reiki's energy is universal and we can use that power to change what is happening around us One thing we have to remember is that there are universal laws that govern abundance Seasons come and go and despite everything we are just limitless beings This is why man must strive for the highest good and hold on to things that are only of value to ourselves When we feel that things are not going our way this is the time that we must reflect and see if the things that are considered to be important hold the same priority as they did before If they do not this must be removed and then changed to a positive energy that can produce something better In essence we let go of the old to make room for the new How do you begin this journey By creating a list of what is important in your life reviewing each one and then figuring out which of these have to go It is best to pay attention to how you feel about each one and then only keep those that add value to your quality of life This is probably the most important part in any level of Reiki as you are undergoing the 21 day cleansing process Afterwards you can move on with our life because Abundance and Prosperity can be achieved by using Reiki as your guide If you need references look at the manual that was given to you during the 2 day training because this is not something you read and throw away     Empowerment Through Reiki Horan,1990-01-01 Dr Horan an experienced Reiki master describes exactly how Reiki energy works the way it can be used and the effects that can be achieved with its help     *Jeff Herman's Guide to Book Publishers, Editors and Literary Agents 2006* Jeff Herman,2005-10 Now updated for 2008 this annual edition of the classic bestselling directory provides everything working writers need to find the most receptive publishers editors and agents for their work     **Jeff Herman's Guide to Book Publishers, Editors & Literary Agents 2007** Jeff Herman,2006-12 Presents a guide to the names and specialties of American and Canadian publishers editors and literary agents including information on the acquisition process and on choosing literary agents     *Jeff Herman's Guide to Book Publishers, Editors & Literary Agents* Jeff Herman,2003 A guide to the names and specialties of American and Canadian publishers editors and literary agents includes information on the acquisition process and on choosing literary agents     *The Feng Shui of Abundance* Suzan Hilton,2001-12-26 Money is more than a bank balance it's a reflection of the overall abundance in your life Now a CPA and feng shui practitioner presents an unusual and valuable application of the ancient Eastern tradition of feng shui Delving into all of the life forces that affect financial health The Feng Shui of Abundance is not just a monetary makeover it is a whole being program whose benefits include Locating the wealth area of your office or home Dislodging clogged energy in your career Drawing on the five currents of the River of Gold to address debt personal spending and your own potential for abundance Creating a financial plan that speaks to your dreams and desires A liberating book for those who feel financially trapped and for anyone who wants to achieve his or her potential The Feng Shui of Abundance incorporates all three feng shui aspects wind water and energy unleashing the forces that control true wealth creating clearer harmony between your money goals and dreams This is the perfect handbook for anyone seeking genuine peace of mind as well as financial prosperity     Writer's Guide to Book Editors, Publishers and Literary Agents, 2002-2003 Jeff
