

A narrow, cobblestone alleyway between old stone buildings. The ground is paved with irregular, grey cobblestones. The buildings on either side are made of rough-hewn stone and have small, dark windows. A small, white, rectangular object, possibly a mailbox or a small shrine, is mounted on the wall of the building on the right. The alleyway leads into the distance, where a small, white, rectangular object is visible on the wall of the building on the right.
