Etheridge Translation of the Western Peshitto John Wesley

Etheridge, 2024-09-27 A complete English translation of the Western Aramaic Peshitta text Great for comparison with standard translations from Greek This translation of the Four Gospels has been made directly from the Syriac The text chiefly followed is that of Gutbir 1664 compared with the editions of Paris G F Bodenian 1584 Walton in the London Polyglot and Schaaf's of 1709 The rubrics for the lessons are from Walton The object of the translator having been to offer in English an accurate representation of these venerable eastern scriptures the version is as literal as the structure of the two languages seems to admit From a desire to preserve the air and manner as well as meaning of the original he has retained the Syrian orthography of the proper names and has left some of the peculiar denominatives of the gospel narrative untranslated Such are the titles of Pharisee the Pharisees Zadukoyee the Sadducees Sophree the Scribes Malphona Doctor c The name of the Divine Being ALOHA the ALOHA of the Hebrew revelation is also left unaltered In the expression of these names the method of the Nestorians has been followed rather than that used by the Western Syrians because in the former the pronunciation more fully accords with the orthography *The Etheridge New Testament* Bruce a. Th D. Klein, 2013-12-21 This is the Peshitta Syriac New Testament translated into English by John Wesley Etheridge This is an Aramaic into English translation

a milieu rife with cronyism and corruption and ultimately transforming California's industry and labor. Harshly criticized by his enemies for ruthless business tactics but loved by his employees he was unapologetic in his quest for wealth asserting Spreckels's success is California's success. But there's always a cost for single minded determination the legendary family quarrels even included a murder charge. Spreckels's biography is one of business triumph and tragedy a portrait of a family torn apart by money jealousy and ego.
