Exposed Rayford L. Johnson, 2024-02-26 Ever wondered why secret societies are secret? Why is it that an overwhelming majority of elite leaders in America including those who've occupied the highest office have belonged to an organization in the vast network of secret societies whose rituals and teachings derived from the ancient mystery schools of Egypt and Babylon? Why is death the penalty for breaking a secret society oath? Why do they pay homage to pagan gods and goddesses? Why do many self-proclaimed Christians belong to these secret societies when their practices blatantly violate God's Commandments such as Exodus 20:3 which states Thou shalt have no other gods before me? And why don't their pastors say anything about it? Is there a secret motive behind the positive PR that many of these secret organizations receive for their good deeds such as feeding programs, scholarships, volunteering, youth mentoring, etc. that even the lower ranking members of these societies don't know about? Could today's network of these secret societies be the architects and workers of the antichrist New World Order aka Illuminati as prophesied in the Holy Bible? These questions and more will be answered by author and Evangelist Rayford L. Johnson who has spent more than 20 years researching, writing, and teaching on the occult. Johnson has counseled and ministered demon deliverance prayers on many former members of the occult. Many of them have testified that they have been set free by the power of Jesus Christ from the spiritual torment and generational curses that the pagan rituals and oaths have unknowingly brought upon them and even their family through the spiritual legalities of breaking God's commandments. *The Truth Shall Make You Free* John 8:32 <http://www.thugexposed.org>

Diary, 1945 *Black Haze, Second Edition* Ricky L. Jones, 2015-06-01 Expanded and revised edition of the first book devoted solely to black fraternity hazing. Are black men naturally violent? Do they define manhood in the same way as their counterparts across lines of race? Are black Greek letter fraternities among the most dangerous student organizations on American college and university campuses? Can their often dangerous initiation processes be stopped or even modified and if not what should be done about them? In this second edition of *Black Haze* Ricky L. Jones takes on these questions and more. The first edition was an enlightening and sometimes disturbing examination of American men's quest for acceptance, comfort, reaffirmation, and manhood in a world where their footing is often unstable. In this new edition Jones not only provides masterful philosophical and ethical analyses but he also forces the engagement of a terrifying real world process that damages and kills students with all too frequent regularity. With a revealing new preface and stunning afterward, Jones immerses the reader in an intriguing and dark world marked by hypermasculinity, unapologetic brutality, and sometimes death. He offers a compelling book that ranges well beyond the subject of hazing, one that yields perplexing questions and
