I don't often use my laptop, but my mobile phone is really important to me. I take it to school – we can't use our phones during lessons, of course, but when there's a break I always turn on my phone and check my messages. I have more than a hundred friends on social media!

I don't make many phone calls, but I send lots of text messages. If my phone rings, it's usually my mum calling. She always wants to know where I am! Using my mobile phone all the time is quite expensive, but I'm lucky – my parents pay for it.

I don't just use my phone to communicate. I use it to listen to music, too, and to watch videos. At night I keep it next to my bed. I often get messages late at night. My mobile phone is my world!
