*Study Guide for Exam MB-920: Microsoft Dynamics 365 Fundamentals* Anand Vemula, This comprehensive study guide is designed to prepare candidates for the MB 920 Microsoft Dynamics 365 Fundamentals certification exam. It covers all core concepts and applications of the Dynamics 365 ecosystem providing a deep understanding of the platform's capabilities and business value. The guide explores each functional area in detail including Dynamics 365 Finance, Supply Chain Management, Commerce, Human Resources, and Project Operations. Key topics include financial processes such as general ledger accounts, payable/receivable budgeting, and fixed assets along with procurement, inventory, and manufacturing workflows in Supply Chain Management. The guide also delves into retail operations like POS systems and omni-channel strategies within Commerce, HR functionalities such as personnel benefits and leave management, and project lifecycle elements like planning, billing, and resource allocation in Project Operations. The final section focuses on shared features across applications including DataVerse, Power Platform integration, reporting with Power BI, and core security, compliance, and extensibility tools. Over 250 multiple choice practice questions are included to reinforce learning and test readiness with answers and explanations provided after each question. Designed for professionals new to Dynamics 365 or those looking to certify their foundational knowledge, this guide breaks down complex topics into digestible sections and emphasizes exam-relevant content. Whether you're an IT professional, business user, consultant, or decision maker, this resource will equip you with the insights and confidence needed to pass the MB 920 exam and understand the broader Microsoft Dynamics 365 landscape.
