SELOC has been the leading source of how to information for the marine industry since 1974. Designed and written to serve the needs of the professional mechanic, do it yourself boat enthusiast, instructor and student, these manuals are based on actual teardowns done by Chilton Marine's editors/authors in our on site facility. Providing complete coverage on everything from basic maintenance to engine overhaul, every manual features simple to follow step by step illustrated procedures, hundreds of exploded drawings, photographs and tables, troubleshooting sections, accurate specifications and wiring diagrams.
