Batty, 2014-07-29 Screenwriters and Screenwriting is an innovative fresh and lively book that is useful for both screenwriting practice and academic study It is international in scope with case studies and analyses from the US the UK Australia Japan Ireland and Denmark The book presents a distinctive collection of chapters from creative academics and critical practitioners that serve one purpose to put aspects of screenwriting practice into their relevant contexts Focusing on how screenplays are written developed and received the contributors challenge assumptions of what screenwriting studies might be and celebrates the role of the screenwriter in the creation of a screenplay It is intended to be thought provoking and stimulating with the ultimate aim of inspiring current and future screenwriting practitioners and scholars *Mike Leigh* Mike Leigh, 2000 Collected interviews with the British filmmaker of *High Hopes* *Life Is Sweet* and *Secrets and Lies* ***Abigail's Party*** Mike Leigh, 2017-02-23 40th anniversary edition with a new introduction by Mike Leigh Forty years on from its first performance at the Hampstead Theatre and original screening on BBC1 soon after Mike Leigh's *Abigail's Party* telling of two marriages spectacularly unravelling at an awkward neighbourhood drinks party remains a pinnacle of British theatre Here is the original script complete with a new introduction by Mike Leigh describing the play's unlikely genesis how it came to be made and where he believes it fits within his oeuvre as one of the country's leading writers and directors The play came from my intuitive sense of the spirit and the flavour of the times and from a growing personal fear of and frustration with the suburban existence Mike Leigh from his new introduction Leigh's play isn't simply about marriage and Essex but also about the unhappy state of the realm *Guardian* *Film Monthly*, 1989 *Making Sense of Suburbia Through Popular Culture* Rupa Huq, 2013-08-15 This book explores how notions of suburbia have developed in our collective imagination examining novels cinema popular music and television in the US and UK ***Abigail's Party*** *Abigail's Party*, 2003 ***The Working Actor's Toolkit*** Jean Schiffman, 2003 How does an actor handle the challenge of performing under heavy make up What are the special requirements of acting in a docudrama How does a nonsmoking actor

tackle smoking for a role How do actors deal with the director from hell And what about nudity Jean Schiffman knows In *The Working Actor's Toolkit* she amasses the information she garnered after years of interviewing professional actors master teachers and directors Each of her chapters explores a clearly defined craft topic Because there is neither one way to act nor one approach that works for every actor each topic is discussed from a variety of perspectives in often humorous ways Together Schiffman's chapters offer a nontraditional set of techniques to fill the gaps left by more academic acting primers Her approach is eccentric her range of subjects eclectic her bottom line indisputable there are certain truths about the elements of acting the need to dig deep and personalize to be specific to avoid cliché to take risks and to remember that in most cases less is more For beginning mid career or longtime professional actors or devoted fans who are curious about How do they do it Schiffman provides lively and provocative prose but most of all practical ways for actors to hone their craft solve unexpected acting problems and make themselves marketable
