Consistently Pro-Life Rob Arner,2010-07-01 Consistently Pro Life is a book about killing Specifically it takes up the question of when and under what circumstances is it morally justifiable for a Christian to take human life The murder of abortionist Dr George Tiller on Pentecost Sunday 2009 reignited the national debate over abortion by focusing attention on the seeming hypocrisy of those who would kill to defend life But many times those who would condemn the killing of Dr Tiller would readily justify the killing of human beings in other circumstances This leads to the question What basis do we have to judge a specific act of violence as morally good or ethically justifiable in light of the gospel of Jesus Christ Rob Arner explores these issues and argues that the deliberate killing of any human being is incompatible with the moral life of a follower of Jesus Readers will discover in the witness of the ancient Christian church an example of how modern Christians might consistently apply gospel precepts toward questions of the taking of human life Through a new taxonomy that categorizes the ancient Christian witnesses according to individual issues such as abortion infanticide killing in war and the bloody Roman games Consistently Pro Life demonstrates that the early church consistently opposed the killing of human persons and suggests that the discipline and moral clarity of the ancient Christians on issues of violence can show us a new way forward in a time of polarizing culture wars

Pro-Life Pulpit Stephen Tu,2011-05-23 Over one million unborn children are intentionally aborted every year in North America Voiceless and helpless their blood cries out Will those of us who serve as pastors and preachers respond from our pulpits Silence is not an option We cannot keep quiet while thousands of our neighbors made in the image of God are being led to the slaughter every day But neither should we condemn and vilify those who are complicit in their deaths A truly pro life pulpit ministry opposes the injustice of abortion with truth courage and understanding Tears mingled with hope overflowing with grace After all the Christian faith is rooted in the good news of a Messiah who was once an embryo Nine months before he was born Jesus was conceived by the Holy Spirit and for the next forty weeks he lived and grew in the womb of an unwed teenaged mother He is at the heart of our preaching and this book will show you how to confront the sin of abortion by proclaiming the God who became abortable in order to save sinners
