focusing on his role as President in ending slavery in the United States **Abraham Lincoln Biography**
Hitori-Nakamoto,2025-03-22 Abraham Lincoln Biography The President Who Defied a Nation to End Slavery and Redefine
Freedom In the late autumn of 1860 a tall awkward man from the frontier stood on a train platform in Springfield Illinois
preparing to leave for Washington The town had been his home for nearly twenty five years He had built a life there
practiced law raised a family won and lost political battles And now he was leaving perhaps forever A light snow had dusted
the ground and a small crowd gathered to see him off He addressed them with a voice that trembled slightly not out of fear
but out of something deeper something heavier Here I have lived a quarter of a century and have passed from a young to an
old man he said I now leave not knowing when or whether ever I may return That man was Abraham Lincoln He was about to
become the sixteenth president of the United States In a matter of weeks the country would begin to fracture the first states
seceding from the Union By the time Lincoln took office the question of whether America would remain a single nation was
no longer an abstract debate It was real It was happening The people who had elected him Grab a copy to learn more

Abraham Lincoln Charles Godfrey Leland, 2017-09-12 Excerpt from Abraham Lincoln And the Abolition of Slavery in the United States It is of course impossible to give within the limits of a small book all the details of a busy life and also the history of the American Emancipation and its causes but I trust that I have omitted little of much importance The books to which I have been chiefly indebted and from which I have borrowed most freely are the lives of Lincoln by W H Lamon and by

my personal friends H J Raymond and Dr Holland and also the works referring to the war by I N Arnold F B Carpenter L P Brockett A About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **Abraham Lincoln as a Man of Ideas** Allen C. Annotated Edition) Abraham Lincoln,2012 This edition includes an extensive and hard to find Lincoln biography by Professor John Frost L L D It contains all seven original volumesd with all of Lincoln s works from 1832 through 1865 I have endured wrote Lincoln not long before his death a great deal of ridicule without much malice and have received a great deal of kindness not quite free from ridicule On Easter Day 1865 the world knew how little this ridicule how much this kindness had really signified Thereafter Lincoln the man became Lincoln the hero year by year more heroic until to day with the swift

passing of those who knew him his figure grows ever dimmer less real This should not be For Lincoln the man patient wise set in a high resolve is worth far more than Lincoln the hero vaguely glorious Invaluable is the example of the man intangible that of the hero And though it is not for us as for those who in awed stillness listened at Gettysburg with inspired perception to know Abraham Lincoln yet there is for us another way whereby we may attain such knowledge through his words uttered in all sincerity to those who loved or hated him Cold unsatisfying they may seem these printed words while we can yet speak with those who knew him and look into eyes that once looked into his But in truth it is here that we find his simple greatness his great simplicity and though no man tried less so to show his power no man has so shown it more clearly
