Abundant Living 364 Daily Devotions:

Abundant Living E. Stanley Jones,2014-10-21 The business of life is to live and to live well But in this day and age we know almost everything about life except how to live it We can dissect life and explain its parts and then fail to put it together again in such a way that it becomes a coordinated harmonious whole Through the vibrant writings of E Stanley Jones discover not only how God desires more for us than we could ever think or imagine but freely gives us that abundant life of body mind and spirit Abundant Living the sequel to Victorious Living continues the journey toward extraordinary life through trusting God and self surrender Written in 1942 by one of the greatest Christian leaders of the day experience this classic devotional with a new foreword by Leonard Sweet

60 Days of Happiness

Randy Alcorn,2017-01-04 Would you like to experience true happiness When it comes to happiness most of us have the same questions Why can t I be consistently happy Is it wrong to be happy when there s so much pain and suffering in the world And perhaps the biggest one How can I be happier Some Christians make an artificial contrast between joy and happiness while others claim God wants us to be holy but not happy In fact he wants us to be both and the two go hand in hand In 60 Days of Happiness noted theologian and New York Times bestselling author Randy Alcorn shares sixty timeless devotions demonstrating that God not only wants us to be happy in him and enjoy his gifts he commands and empowers us to do so

Happiness

Randy Alcorn,2024-06 Christians are supposed to be happy In fact we are supposed to radiate joy peace and contentment that is so unmistakable and so attractive that others are naturally drawn to us because they want what we have And yet in today s culture the vast majority of Christians are perceived as angry judgmental people who don t seem to derive any joy from life whatsoever So why aren t we happy Unfortunately many Christians are taught early on that God doesn t want us to be happy he wants us to be holy In fact many Christians are laboring under the false notion that God himself is not happy But nothing could be further from the truth God does want us to be happy The Bible is filled with verses that prove that ours is a happy joy filled God who not only loves celebrations but also desperately wants his children to be happy Why else would He go to the lengths He did to ensure our eternal happiness in His presence We know that we will experience unimaginable joy and happiness in Heaven but that doesn t mean we can t also experience joy and happiness here on earth In Happiness noted theologian Randy Alcorn dispels centuries of misconceptions about happiness and provides indisputable proof that God not only wants us to be happy He commands it The most definitive study on the subject of happiness to date this book is a paradigm shifting wake up call for the church and Christians everywhere
