Uganda Newsletter ,1985    *The Uganda Country Self-assessment Report and Programme of Action* ,2007    **Digital Health Maturity: Quality, Interoperability, and Innovation** Siaw-Teng Liaw,Jitendra Jonnagaddala,Myron Anthony Godinho,Zoie Shui Yee Wilkins-Wong,2025-09-01 Digital Health Maturity Innovation and Quality Improvement provides a roadmap to move from endless pilots and ad hoc system purchases to a systematic stepwise and integrated approach to increasing digital health capacity Specific guidelines tools and use cases are discussed to show how the digital health maturity model DHMM can be put into actual practice Topics cover foundations of DHMM and how to put them into practice organizational considerations for implementation and best practices tools and pitfalls to avoid In addition the book discusses the future of DHMM and the impact of a global adherence to digital health This is a valuable resource for researchers students policymakers governments and anyone who is interested in learning more about digital health and its worldwide benefits Presents a practical guide and reference to understand and apply the digital health maturity assessment toolkit as the basis for developing implementing and evaluating a digital health strategy and roadmap Discusses a set of ICT capability milestones required to reach a DHM level by coordinating the planning and implementation that maximizes reaching the next level of digital health maturity Describes tools and approaches needed to implement ICT changes required to reach a DHM maturity level    **Research Report on Land Tenure and Administrative Issues in Kampala City and Their Effects on Urban Development** ,2002    **Report of the British Geological Survey for ...** British Geological Survey,1998

**Navigating Youth, Generating Adulthood** Catrine Shroff,Catrine Christiansen,Mats Utas,Henrik Vigh,2006 This book focuses on the lives and experiences of young people in Africa On agents who willingly or unwillingly see themselves as belonging to the socio generational category of youth and the ways in which they seek to shape and unfold their lives in a positive manner Rather than seeing youth as either a social or cultural entity in itself or as a predefined life stage the book argues for an exploration of how youth position themselves and are positioned within generational categories In studying young people social scientists must conceptualise youth as both social being and social becoming a position in movement It is from the duality of being positioned and seeking one \_s own socio generational position that this book engages in the debate on contemporary African youth The chapters are based on ethnographic research across the African continent and provide in depth analyses of the perceptions positions possibilities and practices of diverse groups of young people The book will be of value to scholars and students of African studies and social science interested in this major yet marginalized social category in contemporary Africa    **Unesco List of Documents and Publications** Unesco,1979    **Uganda Journal of Agricultural Sciences** ,2004    East African Journal of Rural Development ,1972    *Eastern Africa Journal of Rural Development* ,1973    Centre for Basic Research Working Paper ,1998    *Uganda Confidential* ,2000    *Resources in Education* ,1996-10    *Global Livestock Production Systems* Timothy P. Robinson,2011 Informed livestock sector policy

development and priority setting is heavily dependent on a good understanding of livestock production systems In a collaborative effort between the Food and Agriculture Organization and the International Livestock Research Institute stock has been taken of where we have come from in agricultural systems classification and mapping the current state of the art and the directions in which research and data collection efforts need to take in the future The book also addresses issues relating to the intensity and scale of production moving from what is done to how it is done The intensification of production is an area of particular importance for it is in the intensive systems that changes are occurring most rapidly and where most information is needed on the implications that intensification of production may have for livelihoods poverty alleviation animal diseases public health and environmental outcomes A series of case studies is provided linking livestock production systems to rural livelihoods and poverty and examples of the application of livestock production system maps are drawn from livestock production now and in the future livestock s impact on the global environment animal and public health and livestock and livelihoods This book provides a formal reference to Version 5 of the global livestock production systems map and to revised estimates of the numbers of rural poor livestock keepers by country and livestock production system
