## Academy Award Winners List:

Academy Award Winners Ronald Bergan, Graham Fuller, David Malcolm, 1994      **Focus On: 100 Most Popular English-language Film Directors** Wikipedia contributors,      **Academy Award** Academy of Motion Picture Arts and Sciences, 1950      Focus On: 100 Most Popular 2010s Fantasy Films Wikipedia contributors,      **Academy Award Winners**, 1981      *Academy Awards Oscar Annual* Robert A. Osborne, 1979      **The Academy Awards Index**, 1993-11-19 This detailed reference provides a complete record of Academy Award winners and nominees through 1991. All nominees in all categories are listed and the volume includes recipients of special awards as well. Each award category begins with a short headnote that traces the development of the award and discusses significant facts about it. The award categories are divided into sections for each year. Within the listing for a particular year are the nominees for the award related credits and the winner of the award. Shale begins with a short historical overview of the Academy of Motion Picture Arts and Sciences. Part I lists Academy Award winners and nominees by award categories with sections devoted to annual awards, other awards and discontinued categories. Part II is a chronological index of Academy Awards. Thus full information for an award can be located through either the type of award or the year. Shale concludes with appendices of academy founders, presidents and directors of best pictures, a selected annotated bibliography and an index. The result is the most comprehensive record of the Academy Awards available.      Oscar's Favorite Actors Roger Leslie, 2017-07-14 Just as the Academy Awards have an impact upon stars and their careers, their filmic achievements influence the Academy and contribute to the rich history of the Oscars. Upset wins, jarring losses and glaring oversights have helped define the careers of Hollywood icons while unknown actors have proven that timing sometimes beats notoriety or even talent. With detailed discussion of their performances and Awards night results, this book describes how 108 actors earned the Academy's favor and how 129 others were overlooked.      **THE ACADEMY AWARD WINNERS**, 1983      **The Address Directory of Celebrities in Entertainment, Sports, Business & Politics** David R. Moore, 2005 This directory gives the reader mailing addresses of over 20 000 celebrities in the fields of entertainment, sports, business, politics. In addition, this directory gives biographical data such as birthdays, charities, hobbies and awards of the celebrities listed.
