The Fourteen Ideas

| | |
|---------------|---------|
| Beauty | Courage |
| Equity | Freedom |
| Goodness | Grace |
| Immortality | Hope |
| Justice | Truth |
| Virtue | Wisdom |
| Glory & Honor | Change |

In his historic work, *The Great Ideas*, Mortimer Adler discusses the importance of relating themes of literature to the great ideas and philosophies of Western culture. In order for a reader to comprehend cultural progression and the progression of history, the reader must understand the great ideas behind the stories of literature as well as the motivation for events of history. By supplying a reader with a universal idea such as beauty, truth, or goodness, the writer of a study guide facilitates the reader's understanding of the author's purpose in writing.

In Creation God's declaration of "It is good" is more than a conclusion for His completion of the work of the day. This declaration educates man in the terms of goodness and completion. Man, with this phrase in mind, was expected to judge his own creations by the judgment God pronounced on His own creation. For a man to declare his own work to be good, it must follow the criterion and standards of the Creator in the beginning. Likewise, the reader is asked to find the phrase in standards by each author in each work that is read.

One advantage of a Great Books reading program is to train the mind of the reader to conform not only to the mind of the writer, but also to the mind of God by comparing the Great Ideas and themes of western literature to the Great Ideas and themes of the Creator of the Universe and Author of the Bible.

For the sake of brevity, we have selected 14 ideas in which to focus our study.

About the Book

The story of the Pilgrims is timeless. It brims with adventure, hardships, and new beginnings. Countless books have been written describing the Pilgrims' famous journey on the *Mayflower* over to America in search of religious freedom. While *Almost Home* by Wendy Lawton is one of these books, it is unique in that it tells the story of an individual child, Mary Chilton, on board the *Mayflower*. Mary Chilton was one of the 102 passengers who journeyed to America in search of something more. While Mary's family searched to find a place to worship freely, Mary also had a personal expectation of what the new world would have in store for her. All her life Mary has moved about, never really able to call a certain place home. She longs to belong. Throughout *Almost Home*,

Mary not only yearns to find a home and a place to belong, but also searches to understand what a home truly is. She is surprised at the end of her journey to find that "home has a bigger meaning than she ever could have thought".

Almost Home details the change that takes place in a young Pilgrim girl as she learns to rely on God for everything. Mary grows in her faith more than she could have ever imagined as she sails to the new world. Wendy Lawton brings the past alive in this engrossing story of Mary Chilton, her hopes and dreams, and her quest to find a home. This story will not only give the reader an accurate understanding of life on the *Mayflower*, but will also strengthen the reader's faith in ways one would not expect.
