Spanish Language Equipped Travelers,2020-05-11 If you want to learn the Spanish language fast without any prior knowledge then keep reading Two manuscripts in one book Spanish for Beginners A Comprehensive Guide for Learning the Spanish Language Fast Mastering Spanish Words Increase Your Vocabulary with Over 3000 Spanish Words in Context The

purpose of this book is to show you that you can learn a language no matter how hard it might seem in the beginning. This book will show you that learning Spanish is quite simple once you know the basics. You will find that many Spanish words are similar to English ones. Also you will learn that verb conjugation follows a regular pattern for most verbs which means that once you learn it you can simply apply it to every regular verb. For every subject in part 1 of this book a simple explanation and practical examples are given so you can see the language in action. Here's just a fraction of what you'll learn in part 1 of this book. The basics such as the Spanish alphabet, numbers and days of the week. Many useful nouns and verbs and examples of how they are used in sentences. The grammar rules that apply. Basic Spanish phrases to be used in conversations. Useful phrases when traveling at the hotel, in restaurants or shops. Many many different words for daily use. And much more. In part 2 of this book you'll get a comprehensive list of the 3 000 most frequent words of the Spanish language according to the Real Academia Espaola, Spain's official royal institution dedicated to the Spanish language. For each word in part 2 you'll get a practical example, a sentence that in a few words tells a story and helps you understand how the word is used in the real Spanish speaking world. We also indicate if the word has more than one meaning so you can avoid confusion. Take a second to imagine how you'll feel once you've completed this book and your vocabulary is now comparably better, richer and wider. And how you're family and friends will react when they see you speaking Spanish with ease. So what are you waiting for? Start right away. You'll feel the difference and everyone else will notice too. How to Spanish D. R. Sava, 2015-11-04. *How to Spanish: A Learner's Guide to Learning Spanish* is designed as a supplemental reference grammar for all those with an interest in learning Spanish or continuing their education. Its goal is to demystify the inner workings of the Spanish language, explaining all tenses and moods, irregular verbs and grammatical concepts. This book is intended for those who seek additional resources for their education. If the reader wishes to truly learn Spanish, formal education is suggested by the author, but this book can serve as a primer or for helping to explain things that are not often said by teachers or textbooks. This book was written and designed by a non-native speaker who learned Spanish as a second language. For that reason, the book is designed to parse through academic and linguistic terminology and to provide simple and easy to understand explanations of grammatical concepts. This book is designed for students of any skill level: beginner, intermediate, advanced or anything in between. It focuses primarily on what can be considered universal Spanish (castellano) but has information on many different regional variations of Spanish and addresses sociolinguistic and historical linguistic grammar that would include the use of *vosotros* for Spain and the *voseo* which is more common in Latin America and some regional vocabulary.
