### **Principles of Accounting, Chapters 1-14**

Paul D. Kimmel,Jerry J. Weygandt,Donald E. Kieso,2004-01-23 This book starts with a macro view of accounting information by presenting real financial statements The authors establish how financial statements communicate the financing operation and investing activities of a business To integrate the use of financial statements for decision making the authors identify a finite set of tools necessary to make business decisions based on financial information The Decision Toolkit is provided for the reader and integrated throughout the text

Accounting Paul D. Kimmel,Jerry J. Weygandt,Donald E. Kieso,2010-12-01 With this fourth edition accountants will acquire a practical set of tools and the confidence they need to use them effectively in making business decisions It better reflects a more conceptual and decision making approach to the material The authors follow a macro to micro strategy by starting with a discussion of real financial statements first rather than starting with the Accounting Cycle The objective is to establish how a financial statement communicates the financing investing and operating activities of a business to users of accounting information This motivates accountants by grounding the discussion in the real world showing them the relevance of the topics covered to their careers
