## All I Need English Edition:

**George Orwell: 1984 / Nineteen Eighty-Four (English Edition)** George Orwell, 2025-06-23 George Orwell's 1984 first published in 1949 is a groundbreaking dystopian novel set in a totalitarian society ruled by the oppressive Party and its leader Big Brother. The story follows Winston Smith, a low-ranking Party member who secretly rebels against the regime's pervasive surveillance, propaganda, and thought control. Through concepts like Newspeak, doublethink, and the infamous slogan "War is Peace, Freedom is Slavery, Ignorance is Strength," Orwell explores themes of government overreach, psychological manipulation, and the erosion of truth. 1984 remains a chilling and influential critique of authoritarianism, still widely studied and referenced today. This edition is the English language hardcover version of Orwell's classic novel. The texts assembled cover the long sixteenth century from the age of Caxton to the reign of James I and are divided into three sections: Translating the Word of God, Literary Translation, and Translation in the Academy. They are accompanied by a substantial introduction, explanatory and textual notes, and a glossary and bibliography. Neil Rhodes is Professor of English Literature and Cultural History at the University of St Andrews and Visiting Professor at the University of Granada. Gordon Kendal is an Honorary Research Fellow in the School of English, University of St Andrews. Louise Wilson is a Leverhulme Early Career Fellow in the School of English, University of St Andrews.

**A New English Translation of the Septuagint** Albert Pietersma, Benjamin G. Wright, 2007-11-02 Translated from Hebrew and Aramaic originals in the two centuries before Jesus, the Septuagint provides important information about the history of the text of the Bible. For centuries, scholars have looked to the Septuagint for information about the nature of the text and of how passages and specific words were understood. For students of the Bible, the New Testament in particular, the study of the Septuagint's influence is a vital part of the history of interpretation. But until now, the Septuagint has not been available to English readers in a modern and accurate translation. The New English Translation of the Septuagint fills this gap. **Bookseller**, 1873 Vols for 1871-76, 1913-14 include an extra number.
