**The Internal Coherence Framework** Michelle L. Forman,Elizabeth Leisy Stosich,Candice Bocala,2021-02-17 The Internal Coherence Framework presents a system of research based practices for assessing and developing the conditions that support adult and student learning in schools Internal coherence is defined as the ability of educators in a school or system to connect and align resources to carry out an improvement strategy engage in collective learning and use that learning to provide students with richer educational opportunities The internal coherence framework featured in the book brings together three important domains of research leadership for learning organizational improvement and instructional efficacy School or system leaders who progress through this book with colleagues will develop a shared vision for ambitious teaching and learning anchored in the instructional core organize the work of the leadership and teacher teams to advance this vision and build psychologically safe team school and system cultures to support the risk taking and constructive challenges necessary to move schools or systems to the next level of performance At the heart of the book is a survey and rubric that can help schools better understand their strengths and weaknesses and the kinds of resources they need to support student learning The book blends theory and practice to bring tested wisdom to bear on critical issues of education leadership and professional learning

*Gentrification and Bilingual Education* Suzanne García-Mateus,Deborah K. Palmer,2022-12-13 This unique volume brings together findings from six separate but interconnected studies carried out over seven years in the same small bilingual elementary school During a period of rapid gentrification in Austin Texas Hillside Elementary transformed from a predominantly Latinx under resourced and under enrolled neighborhood school with a transitional bilingual program to a two way dual language bilingual education TWBE school with a waiting list of middle class families from across the school district Chapter authors entered the context as researchers at various points along the timeline with varied theoretical lenses research questions and methodological approaches Most authors have also been parents or teachers at the school and all were deeply invested in the school community and the education of bilingual students They come together to argue that in order for a TWBE school to serve marginalized bilingual and BIPOC children

and families it must work collectively toward critical consciousness Educators parents and students must learn to center the cultural linguistic and racial ethnic identities of marginalized families and engage in ongoing dialogue at every level The culminating product is a theme with variations one context one phenomenon multiple varied positionalities and perspectives

Handbook of Latinos and Education Enrique G. Murillo, Jr,Dolores Delgado Bernal,Socorro Morales,Luis Urrieta, Jr,Eric Ruiz Bybee,Juan Sánchez Muñoz,Victor B. Saenz,Daniel Villanueva,Margarita Machado-Casas,Katherine Espinoza,2021-07-29

Now in its second edition this Handbook offers a comprehensive review of rigorous innovative and critical scholarship profiling the scope and terrain of academic inquiry on Latinos and education Presenting the most significant and potentially influential work in the field in terms of its contributions to research to professional practice and to the emergence of related interdisciplinary studies and theory the volume is now organized around four tighter key themes of history theory and methodology policies and politics language and culture teaching and learning New chapters broaden the scope of theoretical lenses to include intersectionality as well as coverage of dual language education discussion around the Latinx and other recent updates to the field The Handbook of Latinos and Education is a must have resource for educational researchers graduate students teacher educators and the broad spectrum of individuals groups agencies organizations and institutions that share a common interest in and commitment to the educational issues that impact Latinos
